The hosting of the recent 2017 Australian Senior Women's Golf Championship has provided the club with international and local exposure, and more events have been offered in principle to the club by Golf Australia and already repeat events for 2018 with Golf Queensland.

Overall, we are looking to promote this as an "enjoyable" experience for the corporate partners with a strong message of support and involvement from the Sunshine Coast Business Community.

Talk to us about how we can partner with your business to provide you with increased sales.
