Girls into Golf (GIG)

Join Today!

Girls into Golf is now into its 12th year! GIG invites women of all ages – both passionate and curious about golf – to learn the game in a relaxed, female-friendly atmosphere under the close eye of Professional, Di Pavich.

Our goal has always been to create a pathway for women to learn the game and be confident to play socially or advance to joining a club, obtaining a handicap and joining in on competition play.

Our experienced mentors, Georgie and Rosemary guide you through the fundamentals of play with etiquette, basic rules and knowledge of the game.

Your GIG membership fee is a one off payment and includes a private 45 minute lesson. There is no commitment to attend every week – however, you must book.

We are always dependent on the weather, particularly at this time of the year. Should the weather be inclement, Di will make a decision one hour ahead of time. If she does cancel, Di will contact you via sms.

Any questions can be directed to the Pro Shop on 5457 0900 or feel free to contact Di Pavich on 0438 178 848

Testimonials:

“I am a late learner in the wonderful world of golf. Since connecting with Di and committing to regular lessons my golf has improved and my handicap reduced significantly. Di is a great golf coach and has an innate ability to work on the finer details that result in major improvements across a range of skills. I would recommend Di as a golf coach to anyone who is interested in improving their golf and enjoying themselves on the golf course.”

Wendy

“I first went to one of Di’s clinics on a friend’s recommendation. I was immediately impressed by Di’s welcoming and warm nature which made it all fun. The other thing I really liked was that Di didn’t try to turn me into the perfect golfer but was able to focus on some smaller important changes that really made a difference.

I have continued to have lessons with Di over the 20 or so years since we met and now regard her as a good friend as well as a bloody good coach.”

Philip
