## “POWER DRIVE CLINIC”

Commencing the first week of March.

## Junior Golf

The QGPC run an extensive junior developmental program based on long term athlete development and learning skill sets through play. This competency based program gives children an opportunity to play in monthly junior competitions and meet other children at a similar age and level.

With more than 100 junior members at Maroochy River Golf Club, it is 'THE' place to introduce children to golf.

Beginner clinics run on Saturday morning during school term from 08:30 – 10:00 AM.

Intermediate and advanced squads are on offer after school on Wednesdays, Thursdays and Fridays from 4 – 5 PM or 5 – 6 PM.

### Testimonial:

"I booked a session with a professional because I was losing my appetite for golf, not scoring well, embarrassed at my feeble golf game and constant mistakes! In less than half an hour, I had a very good grasp of what I was doing wrong and what I had to do in future. My next 9 holes (social game) returned me 23 points – In previous games I was down to 9, 11, occasional 14 or 15 points on a good day! I am on 18 handicap at the Club. I thoroughly recommend the process of using one of our Professionals to tune up your game. The best money I have spent on golf!"
